

“ Can I receive SMS/text messages about a natural disaster, such as a tsunami or any other emergency impacting the islands on my Blackberry, Treo, or other wireless device? ”

www.relayhawaii.com

Yes, you can!

Emergency Notification System (ENS) for the Deaf and Hard of Hearing community offers text notification that allows Hawaii citizens to receive emergency text messages on any wireless device.

For more information, go to:
www.relayhawaii.com
or contact LisaAnn Tom,
Relay Program Manager, at
relayhawaii@sprint.com

**Sprint
Relay**

ENS is provided by Sprint Relay, as regulated by the Hawaii Public Utilities Commission. Hawaii State Civil Defense supports the implementation of this service.

“ How do I sign up to receive alerts from the Emergency Notification System? * ”

It is easy!

Email this information to relayhawaii@sprint.com or fax to 866-410-4256.

- your name*
- home zip code*
- email address (computer and mobile)*
- text/mobile number*
- name of carrier*
- wireless device model*
- areas of interest for alerts*

Or you can sign up on the website at www.relayhawaii.com.

** To qualify for the Emergency Notification System, you must:*

- Be a Hawaii State resident or kama'aina.*
- Have proof of hearing loss, or have a communication disorder as certified by a doctor or audiologist's report.*
- Own a wireless device.*
